

Rockbridge Area Community Cleanup 23rd Annual - Sat. March 25 to Sun. April 2

The Rockbridge Area Conservation Council, Rockbridge County and Virginia Department of Transportation are enlisting the efforts of organizations, groups, students, families, and individuals to help beautify our Rockbridge home with Adopt-A-Highway projects and self-designed projects such as picking up trash along local roads, trails, or river banks. Do your clean up during the suggested period or choose another day. Learn more and sign up online.

Do you know a roadside that needs a cleaning? Volunteer for it or let RACC know where it is so others can.

**Mark your
calendar**

**Saturday
March 25
to Sunday
April 2,
2017**

Win the Litter Cup

Enter the Litter Challenge to take the Litter Cup fashioned by sculptor Mark Cline. The team that collects the most bags keeps the Cup until next year. Get your team together today to win!

**It's easy to join in!
Sign up online or
use a paper form
found at a library
branch, Rockbridge
County Community
Development Office
or county recycling
center in mid March
where you also pick
up a vest and bags.
Return your vests
when you're done.
That's it!**
