

Rockbridge Area Community Clean Up

Last two weekends in March
(plus the week between)

Our roadways really need a spring cleaning!
Here's how to do it.

One. Look for info on the RACC website
(search “RACC community cleanup”)

Two. Choose a road with litter

Three. Sign up online

Four. Grab some family, relatives or friends

Five. Get your vests and bags at a
recycling center or library

Six. Get out there!
